

IMMORTALIZED
SPLENDOURS
The Eternal Pure Land

恆美 盛世

百年歸根・永恆完美之淨土

NIRVANA MEMORIAL PARK (KLANG)
富貴山莊（巴生）

人生一世 夢寐以求之

恆美盛世

紫氣東來，輝映出一如詩境般的壯麗風采。
勝景天成的富貴山莊（巴生），
承載著天地的靈氣，
周圍高低起伏的山脈，加上碧水的行遠流長，
剛柔的交匯中，化作一幅活龍活現的靈動景象，
氣概萬千，可謂是人生
百年歸根的絕佳風水淨土。

The Immortalized Splendours A Dream Fulfilled

The sunrise conjures up an image of poetic beauty,
so glorious and spirited. Nirvana Memorial Park (Klang)
is further invigorated by heaven's made good Chi,
which is in perfect harmony
with the surrounding verdant rolling hills and waterways.
Like a vigorous dragon guarding its territory,
Nirvana Memorial Park (Klang) commands a superb Feng Shui
to raise the spirit of a Pure Land.

有別於巴生其它地方的黑色土質，佔地面積220英畝的富貴山莊（巴生）擁有祥和的紅、黃兩色土質，在風水學上認為，紅土及黃土為發富發貴之土壤。

而從風水巒頭的形法上看，山勢如龍、虎、獅、象及龜皆是吉穴；細看富貴山莊（巴生）的整體格局，如同一頭獅子，頭往內、前腳伏地、低著頭在探前方之水，坐西向東，故“喝形”為“金獅探水”。俯地之獅既緩和了兇悍，卻又不失威武之霸氣，得水後更是元氣提振，乃上上之局。

正所謂“山管人丁、水管財祿”，富貴山莊（巴生）的周圍山勢和緩，並且前方見水，乃旺財旺丁之局，加上穴場後有靠山、左右又得龍虎山脈護持，符合風水吉祥安穩的條件。

至於富貴山莊（巴生）的福地，整體格局以卯（東）、酉（西）、寅、醜（東北）及辰（東南）旺向為主，可配合不同仙命日主來擇吉穴，不僅可延年益壽也能福澤子孫，一舉多得。

Superb Feng Shui to usher in prosperity for posterity

The 220-acre Nirvana Memorial Park (Klang) distinguishes itself from others with the presence of red and yellow soils, two auspicious colours from the perspective of Feng Shui. Red and yellow symbolize prosperity in Feng Shui's definition.

From Feng Shui's perspective, a land filled with the vibrant Chi means a world full of life. Making it more distinctive, it is tranquil and picturesque at the same time, hence befitting an ideal final resting place. Nirvana Memorial Park (Klang) presents a seamless natural setup that activates the power of life of all beings. Energized by the mountains and waterways surrounding it, Nirvana Memorial Park (Klang) is an eternal resting place that lives up to the spirit of 'rest in peace' while fostering prosperity for posterity.

Nirvana Memorial Park (Klang) is surrounded by verdant rolling hills with waterways in the front, hence befitting a natural Feng Shui setup that ushers in prosperity for posterity. Backed by the mountains at the back and guarded by a dragon and a tiger on each side, this memorial park is blessed with an ideal Feng Shui setting.

The overall Feng Shui layout of Nirvana Memorial Park (Klang) is characterized by the auspicious East, West, Northeast and Southeast directions predominantly to accommodate different requirements based on different passing hours and dates. This bodes well for longevity and prosperity for posterity.

The merciful Four-faced Guanyin statue stands majestically in the front portion of Three-deity Temple. Underneath the statue of the Goddess of Mercy is a flowing waterway that carries endless wisdom and wealth.

四面觀音 千手護持千眼照風 | 風景之美

家族陵園

落葉歸根 延續中華文化之傳統

落葉，會歸根。在華人傳統思想中，不論人在哪裡、不論人居何處，家總是最溫暖的避風港。無論我們走得多遠、無論身在何方大陸，遊子之心總期盼著倦鳥歸巢，盼望尋覓一個終身安定的歸宿，等待與家人團聚的日子。

家族陵園延續著中華民族“團圓”的文化傳統，除了有落葉歸根的想法之外，也為家族後裔提供一個永久的追思空間，寄託後代子孫對往生親人的無盡思念。

Royal Family Burial Plot A place called HOME

Falling leaves will always stick close to the roots of the tree. In Chinese traditional thought, a place called home prevails against anything. Regardless of where you are, you still find the comfort and warmth of home that reminds you of your roots, from the depths of your heart. A home is the best shelter, spiritually. No matter how far you go and wherever you are, there is always a time, you and your family, settle down in a place truly called home.

This is where family memorial comes into picture. The thought of 'back-to-the-roots' takes a strong stand. It is designed to mark the journey home for the departed while infusing the future generations with pleasant recollections of their departed loved ones.

從景觀布局、墓碑的選擇，再到文字的詮釋等等，皆可用藝術之情把對長眠者的情感集結，傾註到墓園設計裏，亦可依據往生者的人生事跡，或喜好與特色，隨心塑造極具個人風格的個性化墓園；無疑一磚一瓦意境深遠。
